

# East Coast Stallion Incentive Fund

How this works for 2019 season:

- If you own an offspring or run any of the Stallions that are in the East Coast Stallion Incentive Fund and you run at any ECSIF indicated show you will find yourself running for extra Incentive Money.
- To enter an offspring and be eligible for the incentive money at the approved shows – The cost will be \$20 per horse per class. Eligible offspring's can be of any age and must follow class rules. You can enter the offspring's at the shows or through the Pre Entry process. A copy of the papers must accompany the entry.
- The cost to be in the ECSIF is \$500 per year per stallion. 20% of this money will be used for marketing and promoting your stallion and services and 80% will be put back into the incentive fund for Incentive Money for the offspring owners and stallion owners.
- We need to have high resolutions photos of your stallions emailed to [g4horseranch@gmail.com](mailto:g4horseranch@gmail.com) in order to have the best possible advertising tool for your stallion. Please note these need to be to us as soon as possible and by Nov 30 in order to be in the ECSIF Stallion Booklet.
